Swan Engineering
Mr. Justin Swanson
420 Berry St.
Roseville, Ca. 95678

Subject: Letter of Recommendation

To Whom It May Concern,

Sierra View Company, Inc. recently completed our first project with Swan Engineering on the Seka Hills Olive Mill project located in the Capay Valley. The contracted scope for the underground utilities consisted of water, sewer, and storm drainage. The water line was the bulk of the scope, which included over 3,000 lf of 10" water line, crossing County and Cal Trans right of ways.

Swan's coordination with Sierra View's superintendent, County and Cal Trans inspectors, attention to detail, quality control, and ability to meet our schedule were all positive attributes. Justin Swanson, owner of Swan Engineering, was proactive, organized and a pleasure to work with. I look forward to working with Swan Engineering on future projects.

Regards,
Sierra View Company, Inc.
